From Dick Tucker:

Greetings:

Hi Members,
Summer is about over and I hope everyone had a good and fun summer.

We purchased a new freezer for Lorie and Jennie so they would have more room for storage. There will be a new menu out soon. Some price increases and some new items, fish, chicken and corn dogs.

We are in the process of getting bids for the new air conditioning units and the sprinkler system. We will soon have a new podium for guests to sign in and a new display case to show hats, tee shirts and sweat shirts etc. to sell with the Legion name and post #155 on them. We also are getting bids on the windbreaker inside so the cold won't come in when you open the west door.

I want to thank Terry Tryon for buffing, mopping and waxing the hallway from the north door to the kitchen and meeting rooms. Thanks again Terry we appreciate the work

The ATM machine is doing well. People are using it. Thanks. As I said before bring in a new member Legion, S.A.L. or Auxiliary and you and the new member get a free drink. Thanks and keep up the good work. It makes my job easier.

If anyone has any suggestions or wants to talk about anything just see me and I will listen. I can't guarantee we can do everything but I will listen and try. Thanks. Have a safe and happy holiday.

Your Commander,
Dick Tucker

Let me start out by thanking the Officers of the SAL and the many volunteers for their great work on our monthly Steak Dinner. We have had a great summer. Our next dinner in on Saturday November 6th from 6-8 pm. The dinner will be Country Fried Steak, Mashed Potatoes & Gravy, Vegetable, Salad and dinner rolls for only \$7.00. Karaoke will follow.

In case you don't already know, you can now renew your membership for 2011. We currently have over 121 members who have already paid their 2011 dues. Don't delay, renew today. As a reminder, all members will be carded beginning January 1 when entering our Post. You may send in your dues to Don Merrick's attention or come in the Post pay in person.

As we finish out 2010, I wish to personally thank our entire American Legion Post 155 family for their encouragement and support. I wish each of you a very safe Holiday Season and a Happy New Year in 2011.

By Craig Olivares-, SAL Squadron Commander

Hi Everyone!

It seems like just yesterday that I submitted my last article.

I have been to Arizona and Nevada but not much time at home! Please keep praying for my mom (Beatie) and her health.

Our first meeting had a good attendance. Thanks so much! Please try to join us at the next meeting. We had invited a gentleman in to give us estimates to clean the ceiling tiles in all three rooms downstairs. I don't believe we have enough money to do it the right way now but will see what we can do in the future. There seems to be a rumor about the Auxiliary doing another dinner on a Saturday in November. We will be discussing it Monday at our meeting.

I have not been able to be at the Tuesday night euchre due to the fact that my mother needs me. I hope everything is okay there.

I would like to take the opportunity to thank everyone that has been so dedicated and thoughtful. I have always thought I had the best unit of ladies in the state and I am sure of it!! Some of our wonderful ladies have been here a long time, longer than myself. Some have been here about a year and even less but have become very active. Thank you one and all.

As for the Commander thanks for all your love and understanding of my being away from home. I love you!

Love to Everyone, Jan Tucker (Head Heifer)

For God and Country

WE have enjoyed a beautiful summer and the nice weather has continued... Thank you Lord! Our patio and grill has provided much enjoyment to our members. There is still time for a wiener roast. Our membership is stable, but we can always use new and reinstated members.

A Prayer:

Lord make me an instrument of your peace

Where there is hatred, let me sow love:

where there is injury, pardon: where there is despair, hope;

where there is darkness, light; and where there is sadness, joy

St. Francis of Assisi

Your Chaplain, Ray Klynott

It's a busy time of the year coming, but just in case you have a spare minute, hour, or evening, we'll have something to capture your attention at Post # 155. On Friday, November 19, it's Ladies' Night. Light appetizers, and a chance to win prizes on drawings and tip boards. Manicures, floral, money, even a turkey or ham for Thanksgiving. We'll even have \$2.00 Mimosas for the ladies. Bring your friends for a ladies night out from 6:00 PM - 8:00 PM.

Thursday, December 16th will be Celebrity Bartenders Night. It's a chance to harass some of your favorite ??? People from the post as they serve up cocktails, beer, wine, and smart aleck remarks behind the bar from 6:00 - 8:00. Maybe even longer, if the tips are good. If you've ever wanted to treat one of the officers with disdain, this is your chance. It's rumored that Beer Pong, with prizes, could take place, as well, that evening.

Then on Friday, December 31st, it's New Year's Eve. Yes, we'll have a sumptuous dinner, live entertainment, (which is far more interesting than dead entertainment), New Year's celebrations with Champaign and noisemakers at both 11:00 PM and Midnight, and fun and frolic into the New Year. The Dinner menu is still being planned, but it'll be the full meal deal for around \$12-\$14 per person. A bargain price for a New Year's Eve celebration.

We've got NFL and college football galore, even the start of basketball season, and the dash to the cup, so come around and share some time with your friends. Remember to support your post, and especially the holiday charitable efforts, these next months. Of course, volunteers and prizes are always needed for the various activities. See you around the ol' homestead.

Jim Fredrick, 2nd Vice Commander

Dear Membership;

The last 3 months have been interesting to say the least. June, July, August have been fairly profitable in most respects, with the exception of our Charity Gaming contributions. August showed that we had a loss of \$37,000.00 for the year ending Aug 31st. In reality, we had a \$17,000.00 loss, as over \$20,000.00 was given to Charity in August, that came from the Charity Golf Outing in July. We have had a few major expenditures, that will continue because of the age of the building and needed repairs. We are continuing to upgrade and find ways to pay for the up coming expenditures.

I want to compliment Gail Young on her ability to get me information that allows me to see our daily income and expenditures. It tells me that we are in line by percentage for most things, and out of whack a little on others. We are going to correct that. Additional news about Charity Gaming. Thanks to Mo Haralson, we have information that will help us with additional expenditures through Charity Gaming to defray some costs. It is also important to know, that we do not have to give anything to Charity if we are not making money. Therefore, we will keep an eye on new projects to help us get our post to a profit, and to keep us contributing to Charity.
